Captions

1. Turn on—click on CC icon
2. Click on **Subtitles**

Increase Caption Font Size

1. Click on CC icon
2. Click on **Subtitle Settings**

Move Caption Window

1. Drag your mouse over the caption window
2. A blue border will appear
3. Hold down your mouse button and move

Full Transcript Captions

1. Click on the CC icon and select **View Full Transcript**

NOTE: Full transcript is not available in full screen mode

Viewing the Full Transcript in a separate window

1. Open a new window in your browser
2. Paste the StreamText URL into the browser
3. Resize windows so you see both the StreamText window and also the Zoom window

Chat Window

1. Open Chat window
2. Pop Out the Chat box to move. Click the downward facing arrow, **Pop Out**. 
3. Move Chat box on your screen away from captions to avoid overlap of captions and chat messages.

Change Chat Font Size

Keyboard Shortcut

Mac—Press Command ⌘ + or ⌘ Command -

Windows—Press Control + or Control -

Chat Usage

1. Feel free to use the chat to help others and for technical questions
2. Identify yourself, name and chapter or locations

Adjust Side-by-side view

- Your screen should be in Side-by-side mode if you have joined by computer.
- There should be a shared screen with presentation on the left and the speakers will appear on the right in gallery view.
- You can adjust the size of your Side-by-side view by hovering your pointer between the shared screen and panelist videos and click on grey line and slide to adjust to your desired view.

Raise Hand to Ask Question

To ask a question or make a comment

1. Click on the Participants icon
2. Click on Raise Hand

Participants—raise hand

Speaking

Speak a little slower than normal, to aid understanding.

External Microphones

**Increase audio clarity,
use an external microphone if available.**
